Dear Porsche Owner:

Due to the ever increasing number of Porsches in the Greater Toledo area, and the often expressed interest by owners in a club, it has been decided to begin The Porsche Club of Toledo. I have contacted the executive secretary of the Porsche Club of America and received all the necessary papers to charter a Porsche Club in this Region.

We need a minimum of twenty five signatures and the permission of the other Porsche Club in Ohio.

This organization has the approval of the Porsche dealer in Toledo, Will Dennis, but will be entirely autonomous. The dealer has, however offered his facilities for our meetings if we need them, and has also agreed to provide some limited financial support to get the club off the ground.

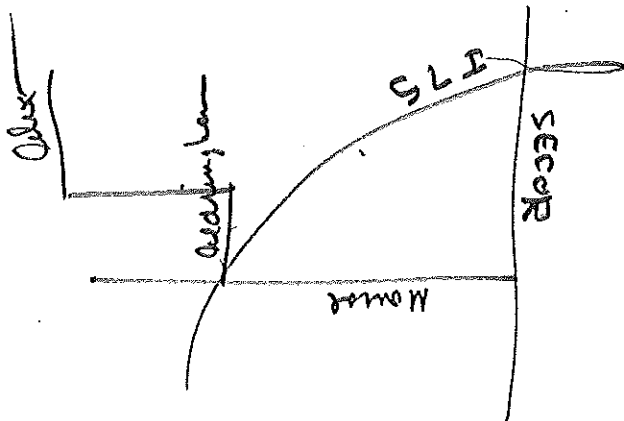

Membership will be open to all current Porsche owners in the Toledo and surrounding areas. There will be an organizational meeting Sunday, March 8th at 7 P.M., which we would really like you to attend. It will be at Will Dennis Inc., 5211 Secor Rd. I have procured a movie "Porsche Strasse 42" which shows how Porsches are put together at the factory and I will also have some other literature to give out.

As this will be your club, we would like you to come to the meeting with some ideas of which you'd like to do during the coming months-- activities such as tech sessions, drivers' schools, rallies, visits to local races, special speakers, movies, etc.

Please let me know if you are interested but cannot make it Sunday, otherwise we will assume you are interested.

Thank You,
See you Sunday, March 8th
at Will Dennis.
