PORSCHE

**It's been talked about, thought about,
written about and dreamt about.**

Now it's ready to speak for itself.

The first true - built from the ground up - sports car for four, the Panamera is the product of over 60 years of uncompromising beliefs. From the very first sketch, this car was destined to be like every great Porsche before it: a true, groundbreaking original.

The New Panamera is here.

Schnell Fahrspur

By Todd Mierzwiak

I cannot believe we are halfway through the month of June already. Like a strong wind, summer is blowing quickly by! There are lots of events going on continuously this

whole driving season with car shows (Mayberry, Wauseon & Cars & Coffee at Tim Horton's), Porsche Parade, D.E., Autocross events and our MVR get togethers. Hopefully the weather will hold out for most, if not all of these events.

We are getting ready for the 2010 Porsche Parade in St. Charles, Illinois coming up in two weeks. I think we have about 6 or 7 couples from our region who will be attending this year. I can't wait to attend the Gim-mick Rally, Tours, Concours & Hospitality events. Hopefully, I can even get Hans Peter Porsche to autograph our car again like he did two years ago in Charlotte!

Once again, we had another fantastic turnout for the brunch at the Mon Ami Winery over in Catawba Island last weekend. A bunch of us met at the Isley household to drive our cars along a scenic twisty route over to the winery. The weather looked pretty grim as we started out, but quickly turned into a beautiful sunny day. Tom even allowed us the opportunity to see a colorful trailer park enroute! LOL.

Our quarterly business meeting was held last Thursday at Vin Devers to discuss the upcoming European Car Show that the dealership will be holding in September. We discussed the logistics of how the show was to be held. The club is going to be helping Vin Devers with some of the volunteer efforts that we will need in order for the show to be a rousing success. The club is asking for volunteers to move cars around the dealership on both Saturday & Sunday to make room for the event. Please make sure to talk to Todd Mierzwiak or Chris Krauser with any questions that you might have. This weekend we will be getting together at Rick Lederman's home for a fun concours top side only! This will be a great get together along with an opportunity to show off our "babies". Make sure to put this on your calendar to attend. I personally would like to see some new faces that we have not seen in a while.

Remember to keep the blink alive!

MVR Business Meeting June 10, 2010

by Chris Krauser

The following are notes from the subject MVR Business Meeting. In attendance were Todd Mierzwiak, Lisa and Michael Soriano, Rick Lederman, Bill Bauman, Shirley and Dick Gobba, Jeanne and Chris Krauser and Jason Perry from Vin Devers.

The proposed European Can Show at Vin Devers was discussed at length. Jason proposes to hold the show on Sunday September 19th and invite owners from all European countries to show their cars. It was agreed that more than likely most cars will come from Germany, Great Britain and Italy. Our goal is 80 to 100 cars. Cost to show a car will be \$8 if you register by September 17th or \$12 if you register the day of the event. There will be no cost to the general public. Owners will need to sign a waiver of liability during registration.

The show will open at 9AM and will conclude at 4PM. Prizes for People's Choice, 1st, 2nd and 3rd place will be awarded at 2PM. There will be two categories, one for votes cast by the attending public and one for votes cast just by participating owners.

Vendors will be invited to participate including, if available, car detailing, leather care, flexible clear car bras, wheels and tires and possibly other car products. Vin Devers will be showcasing their intentions to perform some of these duties or services where appropriate.

There will be a Hot Dog Vendor. Vin Devers will attempt to set up a small eating area with limited seating.

Tentatively, restrooms inside Vin Devers will be roped off for general use.

Vin Devers will attempt to put together a goodie bag to be given to each owner participant.

We need 10 to 12 MVR members to help move Vin Devers car inventory Saturday evening (after 6PM) to make room for show parking and to help with parking show cars and registration on Sunday. It will also be necessary to move Vin Devers car inventory back after show on Sunday. Anyone interested in helping should contact Todd Mierzwiak or Chris Krauser by September 1st please. MVR members helping on Sunday need to arrive by 8AM to get organized and to set up registration. Registration will start promptly at 9AM. If needed, Chris Krauser will provide pop up, table and chairs for registration.

All participating owners will be asked to bring chairs to which seems to be common practice so they can relax near their vehicle.

We will attempt to park cars by manufacturer as possible in a semi-circular fashion with vendors set up in the middle. Final arrangements to be determined as we approach September.

Letter to the Editor

I requested that an ad I submitted on my 944 be placed in the March edition - very short notice but it was inserted. I only received two calls but the car sold on the first call and I think it would have also sold on the second. The ad in der Ruckspiegel worked VERY well and I was pleased to see the car stay near home - Van Wert on to Norwalk. Never used the service before but surely will in the future; THANK YOU/ GOOD WORK!!

Respectfully / Bill Straley / Charter Member MVR / 1972

MVR members will be asked to promote this event to other car clubs as best possible. Vin Devers will provide a flyer and registration forms for our use as handouts. This will be considered MVR's major event in 2010 for car participation.

In addition to the show it was agreed that MVR could use a Business Card Size promotional handout. Todd agreed to create one and provide a quantity for our general use.

Chris Krauser

MVR Secretary

The Crystal Bowersox celebration tour and brunch at Mon Ami was a success again this year. The tour was made a little more exciting by a small detour (route adjustment) through a trailer park. You really had to be there to fully understand. We will try again next year and maybe it won't be needed.

I used this issue to catch up on the back log of pictures that had been growing in my to do list. Check them out. If you would like to see your pictures in the newsletter just come out to one of the many events that are on the calendar.

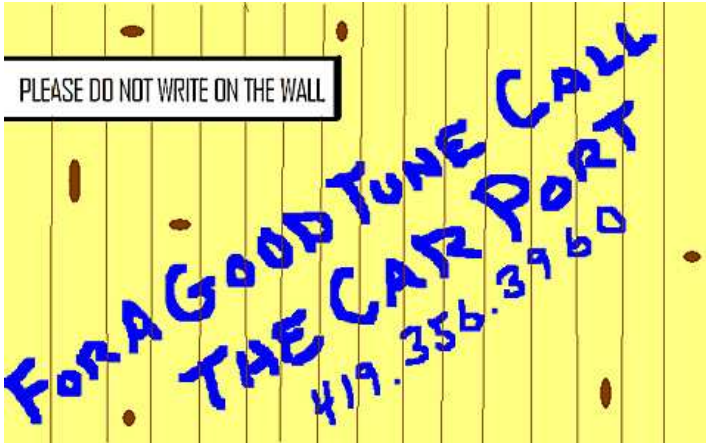

Be sure to watch the calendar in the newsletter or check the MVR web page for any additional updates.
