From The Driver's Seat

By Michael Soriano

The weather this year has continued to be fantastic, and the month of April was full of events to provide our members an abundance of opportunities to enjoy their cars. On April 7, a large number of our members turned out for the first

official Cars and Coffee of the year. If you have never been, it really is impressive to see the extensive collection of European cars that congregate. Cars and Coffee meets beginning around 9:30 a.m. at the Tim Hortons on Central Avenue on the 2nd Sunday of every month through November; however, due to Mother's Day, the next one will be on Saturday, May 12.

On April 12, we held our business meeting; the main topic was our 40th Anniversary Celebration. The meeting was well attended, and a great deal of groundwork was tackled. There is still more work to be done, and if you are interested in assisting, please contact Jeff Vollmar at jtvollmar@att.net, and plan to attend our next business meeting on June 14 in the Vin Devers Conference Room at 7 p.m. Your participation is important to make this celebration a success.

In January, Lisa and I met Dave and Norah Cooper, Events Coordinators for Rally Sport Region at the Porsche VIP Hospitality Suite while attending the North American International Auto Show and discussed our regions promoting each other's events, thus en-

couraging even more camaraderie between regions. This month's social event was the first such collaboration. On Saturday, April 21, more than 60 members from Maumee Valley and Rally Sport Regions met at the McDonald's in Blissfield, MI where we began a 36-mile tour through country roads to Manchester, MI, for a visit to R&A Engineering, Inc. Bob and Mary Anzalone generously opened their facility, and allowed us to tour their workshop and grounds. His passion is Pre-War classics and currently on display in the shop was an impressive collection of perfectly restored Concours ready cars including a Packard, a Lincoln Continental, a Mercedes 300SL, an Italia, a Ford, a Cadillac, and a Monteverdi. His restorations have won awards at Pebble Beach. Bob showed us a few secrets about his shop...for example, where they keep all the parts of the vehicles they are working on. They also gave us access and invited us to explore the area housing their personal collection, which included a Ford Model A and a Stewart truck. It was a wonderful experience, and everyone had a great time. Thanks to Bob and Mary for their gracious hospitality. From R&A, our tour continued to Chelsea, for a fantastic dinner at the Common Grill. I especially want to thank Dick and Shirley Gobba for all their hard work in coordinating this outstanding event.

This month begins with our DE with Potomac Region at Mid-Ohio on May 4, 5, and 6. Our next Social Event is a

fundraiser to benefit Toys for Tots. Top Gear at the Ledermans will be on Saturday May 19. For a nominal fee, you can race R/C cars around a track against the clock; the cars will be provided. In our continuing efforts to strengthen our relationship with RSR, Rick Mammel, region president, has contacted me regarding assistance with the Belle Isle Grand Prix Porsche Corral. Any Maumee Valley members interested in volunteering for this event, which will be held June 1, 2, and 3, should contact Lisa at Mrs.LisaSoriano@juno.com. Also, be sure to mark your calendars because Sunday, June 10, is our annual brunch at Mon Ami Winery. Tom and Deb Isley will once again lead an exciting and scenic driving tour, which will now leave from Wildwood Metropark. Last year, Lisa and I worked closely with Mon Ami management in order to provide our members with a better experience. By using their private dining area, we were treated to our own

bar, private waitstaff, and an endless supply of plates, not to mention more attentive and prompt service. It was so successful, we have secured the same facility as well as the reserved parking area again this year. And, after enjoying Mon Ami's sumptuous Champagne Brunch, be sure to take some time to enjoy the area before returning home.

For the most up to date information on our region's events, please check der Ruckspiegel and the region website <http://mm.pca.org>.

Also, a reminder that if you have not yet received any Join the Club membership cards or if you need more, please contact either Barney Stewart or myself.

Hope to see you at an event soon!!!!

Thanks,

Michael

Parade-It's Not Too Late to Join The Fun!

by Susan Brown, 2012 Parade Chair

The 57th annual Porsche Parade will be held July 8-14, 2012 in Salt Lake City, Utah, and there is still time to join us. Parade registration may be accessed by logging into your pca.org account and following the links.

Salt Lake, known as the "Crossroads of the West," is a fun, family friendly city with theatre, restaurants, night-clubs, museums, and more. The weather should be hot, but dry and sunny. In other words-summer time!

In addition to all the fun you can have in the city and surrounding areas, we of course have a full week of Parade activities lined up for you. There is still room to join in any or all of the four competitive events: Concours, Autocross, TSD Rally and Tech Quiz. We have beer and wine tasting events in Hospitality, our Art show, a 5k run/walk, golf tournament, gimmick rally, banquets, RC car races and the Michelin Drive & Compare. Tech Academy will be held on Friday, with plenty of hands-on instruction about do-it-yourself maintenance. The local region, Intermountain, will round out the week with a DE at nearby Miller Motorsports Park.

For more information about the week, go to our website: <http://parade2012.pca.org/>.

Our headquarters hotels will be the Little America and Grand America Hotels. Located in the middle of downtown, the hotels are on a light rail line, making it easy to get around the city. Little America has Salt Lake City's largest indoor/outdoor pool, and both have extensive underground parking areas. Within easy walking distance is Salt Lake City's newest mall (It just opened this March)-City Creek Center. Spread across three blocks in downtown Salt Lake City, City Creek Center has eighty stores and restaurants either open-air or covered by a retractable roof.

About a mile from the hotel is Utah's state Capitol, where we will hold the Concours. The Capitol was built on a hill overlooking the city, and is the perfect place for you to show off your "baby". The Autocross and the Michelin Drive and Compare will be held at Maverick Center, a 10 minute drive away.

The week promises to be an exciting one. Come celebrate 57 years of club history, and your chance to experience all that Salt Lake City and Utah have to offer.

Zone 4 Representative

Driving events abound this month, so clean up the car and get out there and drive! There are dozens of events within your region, or close by in a neighboring region. Check your local region's web-

site and newsletter for the latest details on the many events close to you that are being planned for your enjoyment, and check the Zone 4 Website at <http://zone4.pca.org/> for other regions events, such as:

The **Allegheny Region** holds their spring **Driver's Education at Watkins Glen** (NY) on May 12th & 13th, with a lapping day for experienced drivers on Friday the 11th. Space is limited to the first 100 to register, and this event traditionally sells out early. To register, go to Motorsportreg.com at <http://msreg.us/ARPCA-WGI-2012>. For more information contact Bob Nadin: Email: nadinr15@yahoo.com, or Mobile: (412) 913-4479.

Join **Mid-Ohio Region** for a two-day **Driver's Education** at the beautiful Mid-Ohio Sports Car Course in Lexington, OH on May 11th and 12th. For more info contact Tom Todaro, event chair at tatodaro@yahoo.com. You can sign-up at www.clubregistration.net.

The **Rally Sport Region** will hold a

Driver's Education Day on Tue, May 22nd, 8am – 5pm at Waterford Hills Road Racing Course in Michigan. To register, go to www.clubregistration.net.

If you would like to better understand how your car behaves (or how to make it behave better!) under certain abnormal driving situations, consider attending the **Car Control Clinic** sponsored by the **Allegheny Region** on May 26th at PIRC (formerly BeaveRun). This event teaches you to better control your own car (any type vehicle will do) using the track's Vehicle Dynamic Area to simulate common road hazards, and providing instructors to teach you proper responses. Visit the <http://arpca.com/> website for more information and to sign up.

Join **Maumee Valley Region** (in conjunction with the Potomac Region) for a joint **Drivers Education** at Mid-Ohio Sports Car Course in Lexington, OH on May 4th through the 6th. To sign up go to <http://www.pcapotomac.us/>. Contact info: email Craig Zenil at zman911@bex.net or call 630.689.7219.

A great introduction to driving your Porsche in a fun and competitive manner can be found in **Autocrossing** (AX). Many regions sponsor Autocross events, and they are a great event for novices and experienced drivers alike. Check out the following events:

Northern Ohio Region for IRAC II on

(Continued from page 18)

It's not too late to register for the **Annual PCA National Porsche Parade** being held in Salt Lake City, UT on July 7-14, 2012. Plan to join a bunch of other Zone 4 PCA members (over 40 so far) for fun in the mountains. If you are not yet sure about helping at the 2013 Traverse City MI event, the Parade in SLC presents a great opportunity to come and see what it's all about. ....the Checkered Flag!

We just returned from the DE at Mid Ohio. We all had a great time at a well organized event. Thanks go out to Craig Zenil, Tony Calabrese and the team from Potomac Region along with all of the volunteers who worked the event.

Shirley and Dick Gobba arranged a visit to R and A Engineering along with a driving tour and dinner at the Common Grill in Chelsea. We had a great turnout and were joined with several members from RSR and SEM regions.

Next up is the fundraising RC auto-cross at the Lederman's on the 19th of May.

Again this year Deb and I will be leading a driving tour to Mon Ami on the 10th of June. We have changed the meeting location to the parking lot at the east entrance of Wildwood Metropark. This will allow us to accommodate more cars and have easier access to Central Avenue. We are looking forward to seeing all of you then.

Flash your headlights at a fellow Porsche owner on the road!! Keep the kindred spirit alive!!
