## From The Driver's Seat

By Michael Soriano

With only a few weeks left before it's time to put the cars away for the winter, there are still several events scheduled throughout this month and the beginning of next for you to be able to continue enjoying your car this season.

September was another busy month full of various events. On Saturday, September is month and the beginning of next in order to still enjoy your car this 22, over 50 people attended a mini casino night hosted by The Mierzwiaks, which raised additional money for "Toys for Tots" and will be added to the money we raised at the Leder-mans' in May. Participants were able to choose from Texas Hold 'em, Pai Gow Poker, and Euchre. In addition, the evening also included a tech quiz. Congratulations to all of those who won, and a huge thanks to Todd and Sarah as well as everyone else who helped to make the evening such a wonderful success. The next day was the 3<sup>rd</sup> Annual European Car show at Vin Devers, and I am pleased to report that this year, we again had another strong showing. The following Saturday, September 29, was the Ottawa Hills Fall Festival Car Cruise organized by Maumee Valley member Chris Heidenreich; it was a beautiful day, and it was great to see so many of our members there supporting one of our own.

There are a number of events scheduled for October beginning with a Car

Care Clinic on October 6 at Central Classic Cars. On October 13, Rally Sport has invited us to attend their Fall Color Tour. This year's tour, "The Bridges of Ingham County" will begin at 1 p.m. in Brighton, MI, and end in Pinckney, MI. For more information, contact Stewart Free at [stewsa-free@att.net](mailto:stewsa-free@att.net). And, Cars and Coffee is on Sunday, October 14 at the Tim Hortons on Central Ave.

Our last business meeting before the 40<sup>th</sup> anniversary celebration will be on Thursday, October 11, at 7 p.m. in the Vin Devers Conference Room; if you have attended previous meetings, your presence is requested as there are still several details needed to be finalized. The month concludes with our 40<sup>th</sup> Anniversary Celebration, a 3-day multi-event function from October 26 through October 28, consisting of a Reception on Friday night, a late morning Fun Rally on Saturday; the black tie optional Banquet at the Toledo Zoo Saturday evening, and a Concours Sunday. Friday, Saturday morning and Sunday events are free. Please RSVP to Lisa or Jeanne for those events. Also if you have not yet sent in your checks for the Banquet at the Zoo, checks and entrée selections are due no later than October 11. In addition, we will once again be hosting a Fall Drivers Education on November 3 & 4 at Mid-Ohio. If you have any questions, please contact Tony Calabrese or Craig Zenil.

There have been a few changes to the calendar of events for November and

*(Continued on page 6)*

*(Continued from page 5)*

December. Our November Social Event will be Dinner at Rosie's Italian Grille on Saturday, November 17 at 6:30 p.m. Our December Social Event will be Dinner in Findlay at Steve's Dakota Grille at 6:30 p.m. on Saturday, December 8.

The participation this year has been spectacular with 140 members attending at least 1 event. Even if you haven't yet attended an event, I ask you to please consider attending any of the

events on the weekend of October 26-28. A number of us have been working extremely hard putting together a memorable celebration. This is a fantastic region, and I am proud to be your President as we commemorate this important milestone.

Thanks,

Michael

## Porsches to MIS

*Story and Pictures By Deb and Pete MacDonald*

---

August 4, 2012

A big Thanks goes to Lisa Soriano for forwarding an email from Dave Cooper from the Rally Sport Region - PCA in Michigan, inviting our club to do the Irish Hills road trip to MIS. As it worked out, Deb and I were open that weekend and jumped at the chance to drive on the Big Oval.

Everyone met at the Meijer's parking lot Ann Arbor and Dave led the drivers meeting, gave us the instructions, miles and time to each turn and off we go. What a beautiful day. The sun was shining, birds were singing and so was the Boxster. For about 1 hour we wound our way through the beautiful Irish Hills and finally finished at the entrance to the tunnels to get onto MIS. About 50 Porsches lined up in 3 rows before we were escorted through the tunnel, onto the infield and up to the gate of the paddock. We had about 1 hour to wait until the Richard Petty

Driving School stopped for lunch before we could take the track. The MIS safety director gave us our driving instruction for the track and when he said the MIS speed limit was 70 mph you could hear a pin drop. Rules were simple: stay out of lane #1, #6 (the wall) and no Passing.

Lisa/Michael Soriano asked me to comment on the insurance question: "does our car insurance cover us on the track?" The short answer is

“Nope” the long answer is “Your car insurance covers you on public roads, not on a private race course, oval or road course made for racing or high speed driving”. So, when you cross the public to private, your insurance stops at the gate. Also, there used to be a loophole a few years ago with the DE. Insurance would cover you on the course because you had a driving instructor in the car with you... that loophole was filled/ covered with the “private property used for practicing, racing or driving fast” exclusion.

Back to MIS, we got the OK to go and were allowed to cross the threshold into the paddock, pass by the Petty cars and into the first turn. We were the 8<sup>th</sup> car out of the paddock, hit the first turn about top down, windows up and accelerating out of the 2<sup>nd</sup> turn onto the straight-a-way and we had to slow down (we were not allowed to pass!). We hit the 3 & 4 turn and we were accelerating and passing cars still coming out of the paddock. Then again, got into line and could only go as fast as the car in front. The second lap was as much fun as the first but

unfortunately no faster (couldn't pass). Deb was laughing, yelling “go, go” and shooting photos all at the same time. She took a bunch of fantastic pictures. I couldn't believe the 6 laps were over when I saw the flashing lights on the safety truck waving us in.

After everyone was in, we were led to the exit and off we go to the Clark Lake Beach Bar where we had a private room with our own buffet. Everyone was still cranked up and talking about their laps. We sat with Jim and Cathy from the Rally Sport Region had a great time and made new friends.

We've been fortunate this year to travel, spend time with and enjoy the people from the Maumee Valley Region and now the Rally Sport Region. The bottom line is this: We all like people, P-cars and fun. I can't think of anything better.

Thank you to all

Thanks to Pete MacDonald and Chris Heidenreich for the articles on recent events. Deb and I did not get to MIS so it was great to read about the event. We did get out to the Ottawa Hills Fall Festival and had a great time.

The 40th anniversary celebration is almost upon us. I hope that everyone can make it to at least one event. The weekend is going to be a lot of fun. If you cannot come out for the 40th weekend at least try to make it to one of the last 2 events this year. Rosie's is always popular and we will be going to a new place in Findlay with the event at Steve's Dakota Grill. I hope to see you there.
