From The Driver's Seat

By Michael Soriano

As summer turns to autumn, there are still a number of fantastic opportunities over the next few months to get out and enjoy your cars and the wonderful weather we've been having. On August 4, a group of 20 Maumee Valley mem-

bers attended Rally Sport Region's 3rd annual Irish Hills Tour and MIS event. The day began with a 40-mile driving tour through the winding country roads of the Irish Hills of Michigan, followed by Parade Laps on the Michigan International Speedway, and concluded with a nice buffet lunch at the Beach Bar in Clarklake, Michigan. Saturday, August 12 was Toledo Cars and Coffee at Tim Horton's on Central Avenue. Once again, our club was extremely well represented, and I encourage anyone who has not yet made it to one, to check out September's meet on the 9th. Our social event for August was hosted by the Schoens and held on Saturday August 25. Jim and Diane went all out with a Crab Fest theme that was enjoyed by over 50 Maumee Valley members. As always, everyone had a fantastic time, and I want to thank the Schoens for organizing another extremely successful event.

This month, we have a 2-day event planned. On September 22nd The Mierzwiaks will be hosting a mini casino night which will also include a tech quiz. Participation is optional, so even if you don't gamble, you should

definitely plan to attend because these events have such a great atmosphere that even the people observing have said how much fun they had. The next day is the 3rd Annual European Car show at Vin Devers. You can pre-register between now and Sept. 21, by contacting Jason at jperry@vindevers.com. Last year, Porsche was the largest marque represented, and there is no reason why it shouldn't be again this year. The following Saturday, September 29, is the Ottawa Hills Fall Festival Car Cruise organized by Maumee Valley member Chris Heidenreich; registration is free.

October 13, Rally Sport has invited us to attend their Fall Color Tour. This year's tour, "The Bridges of Ingham County" will begin at 1 p.m. in Brighton, MI, and end 115 miles/3 hours later at a restaurant in Pinckney, MI. Anyone interested in participating should RSVP by October 3 to stewsal-free@att.net.

And, finally, our 40th anniversary celebration will be a 3-day multi-event function from October 26 through October 28, consisting of a Reception on Friday, a late morning Fun Rally on Saturday; the black tie optional Banquet at the Toledo Zoo Saturday evening, and a Concours Sunday. The invitations should be arriving in your mailboxes soon. In addition, we will once again be hosting a Fall Drivers Education on November 3 & 4 at Mid-Ohio. If you have any questions, please contact Tony Calabrese or Craig Zenil.

(Continued on page 6)

(Continued from page 5)

As you can see, there are an abundance of events being held over the next few months in which you can participate. I especially ask you to please consider attending the events on the weekend of October 26-28. A number of us have been working extremely hard putting together a memorable event. I hope to see you there, because without you, our club could not have reached this important milestone.

Thanks,

Michael

Party at the Mack's

by Shellie Mack

WHAT A GREAT PARTY!

Great food and great company made for an amazing evening! There were many familiar faces along with some new ones- with this event being their first with the Maumee Valley Region club. How nice it was to meet some new neighbors of ours- Holly and Juan Penhos. We never knew we had fellow Porsche club friends just around the corner from us. Several people came from out of state to join us, some were former region members that had moved from the area and came back to visit. It was just a wonderful gathering, lots of friendships and stories were shared.

The weather was absolutely perfect. Plenty of sunshine and clear skies made for great traveling. Aside from the unavoidable road construction that seemed to be on any route that was taken, everyone arrived safely and with a smile on their face. It was quite the site to see all of the spectacular cars lining our lane and filling our driveway. More than twenty five cars made the best yard decorations we

have ever had on our lawn! (Robb would have allowed these cars on the grass even if it would have been green instead of the dry brown it was this summer.)

We want to thank everyone who made the trip to our home in Tiffin on Saturday, July 21, 2012. We look forward to seeing everyone again.

In The Zone

By Ron Carr

Zone 4 Representative

After doing this month's schedule of regional activities around the Zone, I believe the operative words are **"Fall Color Tour"**! If there is not one listed in your area, it is either an oversight

on my part, or it will actually be an 'impromptu' drive organized on short notice (which is usually just as much fun). So, plan to make that one last cruise in the Porsche before the leaves (and snow) fall and the car is packed away until spring. Check your local region's website and newsletter for the latest details on the many events close to you that are being planned for your enjoyment, and check the Zone 4 Website at <http://zone4.pca.org/> for other regions events, such as:

Check out a local Cars & Coffee event!!! They occur on a regular basis throughout the country on weekend mornings. No reservations or commitment required- just clean up the car and drive it over. The following regions are planning to participate:

Maumee Valley Region- October 14th at 9:30 AM, Tim Horton's on Central Avenue.

Northern Ohio Region- at the Starbucks-City View, in Garfield Heights, OH at 8:30 AM-10:30 AM, Oct. 6th and Oct. 20th.

Other regions - check the local websites for details and schedules.

A great introduction to driving your Porsche in a fun and competitive manner can be found in Autocrossing (AX). Many regions sponsor Autocross events, and they are a great event for novices and experienced drivers alike. Check out the following event:

Allegheny Region hosts the last IRAC of the season (IRAC VII) and the final Awards Banquet on October 20th at Consol Energy Park in Washington, PA. Registration is at Motorsports-reg.com.

The Ohio Valley Region will participate in "Rallye Mariemont" on October 7th in Mariemont (Cincinnati) OH. A casual Porsche and community gathering will include family fun, German beer tasting and historic and specialty car displays. See the OVR website for further information.

The Western Michigan Region will host their annual Fall Color Tour and Dinner Drive on Saturday, October 13th. Stops will include the Fenn Valley Winery and then dinner in Holland MI. Contact Jim & Ardis Schaaf at dogzan2@aol.com or Len & Bonnie Gawron at lagawron@comcast.net for additional information and reservations.

Join Rally Sport Region for their annual Fall Color Tour "The Bridges of Ingham County" on October 13th. The drive will begin in Brighton, MI at 1:00 PM and end in Pinckney, MI for dinner. Contact Stewart Free stewsal-free@att.net for details.

(Continued on page 17)

(Continued from page 16)

Southeast Michigan Region will be hosting their annual Fall Color Tour on October 14th. Additional information is at their website.

The Ohio Valley Region will hold their fall "Autumn Thunder" Driver's Education Event at the Mid-Ohio Sports Car Course in Lexington, OH on Friday, Saturday and Sunday, Oct. 12th-14th. Registration is through www.clubregistration.net.

Central Indiana Region hosts their last driving tour of the season with the

Huber Winery Auto Tour in Southern Indiana on October 20th. Starting point is in Nashville, IN at 9:30 AM. Contact Larry Haskett at lfhaskett@comcast.net. See their website for more details and registration information.

Don't forget to join the Maumee Valley Region for their 40th Anniversary Celebration on October 26-28th in Toledo, OH. A great weekend of activities is planned starting Friday evening and running through Sunday afternoon. See their website for details and registration information.

....the Checkered Flag!

The celebration of MVR's 40th anniversary is almost here. You should already have your invitation. Make sure that you RSVP for each of the events so the hosts have a solid count of attendees.

Next will be the last Drivers Education of the year at Mid Ohio Sports Car course. This event has always been a good event for both the weather and track time.

We also have two informal car shows coming up on back-to-back weekends. The first is the Vin Devers European car show on the 23rd and the Ottawa Hills Fall Festival on the 29th. You can almost get two shows for the price of one cleaning. I look forward to seeing lots of MVR members at these events.
